Yes, but how? A natural question. The action of the wonderful blood purifier, S. S. S., is to practically renew the life blood, giving it vigor, stimulate the flow, making it throw out the germs and the poison impurities. The excruciating pains of Rheumatism, whether it is the shooting, stabbing Sciatica, the gripping agony or muscular Rheumatism, or aching arms and legs that break up sleep, will be entirely relieved by S. S. S. Don't use nostrums and drugs. Take the blood bath—Nature's blood tonic, S. S. S. Get it at any druggist's, but insist upon S. S. S. Let us tell you about blood diseases. House Cleaning Preparedness

Spring is here. We are prepared to supply your wants in Wall Paper, Paint, Kyanize, Moulding, Window Shades, Curtain Poles, Linoleum and Floor Matting.

WALL PAPER

Preparedness, with a large stock of well selected wall paper bought before the advance, enables us to sell at the same low price as heretofore. Our jobbing business gives us an outlet for thousands of dollars worth of wall paper, which we buy at the jobbing price.

We have no competition, quality considered. Catalogue houses and peddlers must sell cheaper wall paper at higher prices. That is why they are doing less business each year.

Bed Rooms: We have the greatest selection of beautiful stripes, small all over effects in all colors with cut out borders. Good assortment of borders not cut out, 1/2c per yard up; side and ceiling, 2 1/2c per roll up.

Kitchen: Blocks, tiles and good dark grounded papers, 4c per roll up. Washable papers, 12 1/2c per roll. Nothing better for service.

Living Room, Hall and Dining Room: We are showing a large variety of wall paper which covers every requirement for the above. Tapestries, blends, grass cloths, leather effects, varnished golds and bronzes with cut out borders and tracers, panels and so forth.

We are introducing an entirely new idea in wall paper. It is an engraving 30 in. line, one of the steps that revolutionized the wall paper business. These papers are printed on the best of stock, beautiful and rich in color, and has the appearance of a printed fabric. These are put on by running them to the ceiling with cove or moulding or paneling or cut out borders and decorations to match. Another great advantage is that you eliminate one-third of the seams.

Come in and let us show you what we have to offer.

PAINT

Bradley and Vroomans paint has been on the market for forty years. None better. Always fresh as the coloring is not put in until ready for use. If not satisfactory, we take care of you.
